

Blender CX 740

TUR MIX

Stylish and powerful

For the perfect preparation of fresh smoothies, crushed ice and much more.

Feature

Stylish design

Powerful 1000 watt motor
4-bladed and serrated stainless steel knife

Stepless speed controller, pulse switch.
Programs for smoothies and crushed ice

1.5 liter glass carafe with measurements
Lid with safety lock and integrated measuring cup

Robust plastic housing with shiny chrome application

Benefit

Finally a mixer that you don't have to hide in your cupboard. The combination of retro and modern is not only expressed in the shape but also in the black color with the chrome applications.

Fibrous fruits, nuts, ice cubes - all no problem for the blender CX 740.

Perfect result for various uses and preparations.
Easy to use thanks to the preset programs.

Easy to clean, hygienic and a plus in safety. The internal structure, in combination with the 4-bladed knife, guarantees perfect results.

Valuable in every respect.
